

Spirit Of Light Essential Oil Kit

Essential oils positively affect the mind, body & spirit & have a special place in assisting a person to re-engage with their own innate healing process & abilities.

This kit is perfect for individuals & professional therapists who want to use essential oil knowledge & high quality therapeutic essential oils to create a wonderful healing therapeutic force to infuse with insight, instil peace, restore balance & provide support to the body, mind, emotions & spirit. Made and written by a professional aromatherapist, the kit contains:

- A complete set of 50 essential oils in 2ml glass amber bottles. The oils are therapeutic grade & are of the highest quality. The kit is very cost effective, providing opportunity to have a wide variety of quality essential oils in stock.
- The Essential Oil Manual is a unique publication that offers a distinctive, thoroughly researched & comprehensive aromatherapy resource. It contains 50 detailed essential oil profiles including the key healing message, characteristics, blessings, therapeutic actions & properties & the soul reflection of the essential oil.

Praise for the Spirit of Light Essential Oil Kit:

"The Spirit of Light Essential Oil Kit is an integral part of my Kinesiology Practice, being of the highest quality. The Manual is beautiful, wise & always meaningful & brings valuable & precise awareness to the client to assist their healing journey, & I would not be without it. Thank you to Hannah for her much treasured insights, & for putting so much love into all that she does".

RG - Professional Kinesiology Practitioner

"I trust, use and recommend the oils and products from Spirit of Light both as a therapist and a consumer. Hannah's extensive knowledge and understanding of the qualities and use of essential oils means I can rely on her suggestions and recommendations to be both effective and safe. I often refer clients to Hannah for advice on oils and blends and the feedback I receive is always positive".

M. Russo Kinesiology Integrative Therapies

"Hannah's Essential Oil kit & manual are invaluable tools in my Kinesiology practice. The fragrant, healing vibration of the oils combined with the accurate, insightful & intuitive messages allow for deeper understanding & greater energetic shifts toward wholeness & well-being for each of my clients (& me!) Thank you Hannah".
